ANNUAL REPORT

to

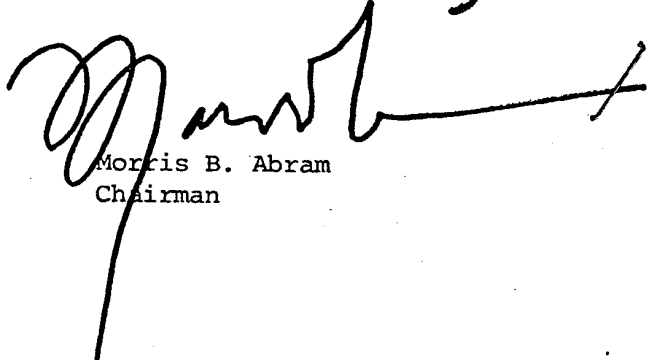

The President
The Senate
The House of Representatives

DD/A REGISTRY
FILE: medical

In accordance with the provisions of Title III of Section 301 of Public Law 95-622 establishing the President's Commission for the Study of Ethical Problems in Medicine and Biomedical and Behavioral Research, as supplemented by Executive Order #12184, dated December 17, 1979, this memorandum constitutes the Annual Report of the Commission for the Fiscal Year ending September 30, 1979.

The eleven members of the Commission, whose names are enclosed, were appointed as directed, and I have been confirmed by the Senate as the Commission's Chairman.

Because of delays in securing funding, the Commission was unable to begin its work in Fiscal 1979. Funding has this date been secured and, therefore, the Commission will open its offices at Suite 555, 2000 K Street, N.W., Washington, D.C. 20006, on January 2, 1980, convening the first meeting of the Commission January 14-15, 1980.

Morris B. Abram
Chairman

December 18, 1979

Copies to: The Secretary of Health, Education and Welfare
The Secretary of Defense
The Director of the Central Intelligence Agency
The Director, Office of Science and Technology
The Administrator of Veterans' Affairs
The Director, National Science Foundation
